

SAYLER PARK SCHOOL NATIONAL PARK FAIR

National Park Fair

On Friday May 20th 4th and 5th grade students from Sayler Park School in Cincinnati hosted a National Park Fair. 59 students researched National Parks and put together displays highlighting the different parks around the country. Other students were able to view the exhibits in the school library. The fair covered 2 benchmark standards for 4th and 5th grades. Education Specialist Kerry Wood presented the students with Junior Ranger patches and site pens for their participation.

America's National Parks have an amazing story to tell.

Students presented their park exhibits to their classmates.

The teachers enjoyed the students good work.

Ranger Kerry Wood prepares to present junior Ranger patches.

The students look to find their park on the map.

Enjoying the National Park Fair

Hopewell Culture NP was represented at the fair.

Students and Teachers look at Dayton Aviation NP

Students discussing Cuyahoga Valley NP

The Everglades

The Taft baseball story was in this groups presentation.
